

Sphere's Divide III:

Tragedies of Emotion

by J.C Norman

PRESS RELEASE

The third book in JC Norman's epic fantasy series throws readers straight back into the roller-coaster lives of his distinct and unique characters, as they once again battle against not only themselves but to save the world they love.

After the dramatic collision of events that tore apart friends and lovers Arcalie and Val in the Book 2 of the **Sphere's Divide** series, we return to find another city has fallen and society has once again been plunged into turmoil. Arcalie, growing in power, is struggling to remain in control of her influence over the elements and is stretched to the limit as she continues to compete in the Elemental League tournaments with one aim -to become the Element Leader. Val, after being rescued from his recent imprisonment, is the only one who can keep her grounded but it quickly

becomes clear that the build up of energy locked within her can only lead to ruination. So when Lord Zane —reigning Elemental Lord and Arcalie's immortal adversary— orders the death penalty to be introduced to the games it is up to Val and their friends to stop them and save all the Elementists. But events quickly spiral out of their control and Arcalie unwittingly sets down a dark and dangerous path that could not only lead to her own destruction but of everything and everyone she has fought to protect.

Meanwhile, Val and Arcalie's friends face very different challenges in their own lives. Raider —surviving member of the leo tribe— is still recovering from the death of his elder brother, when he is horrified to come face-to-face with a mechanised version of him and the moral dilemma of having to destroy him. At the same time, his best-friend, Sheeria is forced to confront the mysterious archer who has been stalking them across the worlds, but even more dangerous is the nameless-mute who experiences unexpected heartbreak which leads to devastating consequences for not only himself but the rest of the population. With the worlds descending into a vortex of rioting and chaos, the fate of Sphere and its heroes are once again left hanging in the balance and readers left guessing until the very last page.

A gripping and unique blend of science-fiction, steam and cyber punk, **Sphere's Divide III: Tragedies of Emotion** is the addictive next instalment in the lives of JC Norman's protagonists, and a must-read for all his fans as well as those looking for a new and exciting fantasy series.

About the author: J.C. Norman grew up and currently lives in Milton Keynes Village in the UK where he works in the food industry. He has studied martial arts all his life and has worked to incorporate this experience into his writing. The first book in his **Sphere's Divide** series was re-published by Clink Street Publishing in 2015 and the second was publishing by Grosvenor House Publishing Ltd. **Sphere's Divide III: Tragedies of Emotion** by J.C. Norman (published by Clink Street Publishing 7th February 2017 RRP Paperback £10.99, eBook £2.99) will be available to purchase from online retailers including Amazon.co.uk and to be ordered from all good bookstores.
